## Light Trailers

### PTL8020/PTL8021/PTL8020K

#### Features/Benefits

- Stop/Turn/Tail/Side Marker (PTL8021 includes license lamp)
- Fully submersible
- 2 Stud mount interchanges with all competitive brands
- Under 80" wide applications
- S/T/T - 12 diodes  
Side Marker - 4 diodes  
License Lamp - 5 diodes (PTL8021)
- **PTL8020K** is complete retrofit kit which contains:
  - 1 - PTL8020                      1 - PTL8021
  - 2 - PTL2650A C/MS          1 - Wiring Harness
  - 1 - License Bracket
